Secure Lock for Smartphones and Tablets

We can now turn any Android smartphone or tablet into a customized, “safe” device. When we install Secure Lock on your device, it gives us the ability to lock nearly any app that you request.

One Time Set-up Fee—**\$48*** Annual Fee—**\$45**

We can change your lockdown remotely if you need it anytime for a **\$22** fee, or we can unlock it if you need to get additional apps. The set-up fee includes remote changes for the first 14 days free of charge.

We can add additional apps to your phone before locking it down. Maps, weather, and email** are included. Other apps cost **\$10** each.

Updating apps requires temporarily unlocking your phone (\$22 fee applies).

*for devices purchased from us. See page 36 for details on getting this lockdown on a device you already own.

**An email app does not provide you an email account. See page 36 for the email service we offer. We can only guarantee our own email service to work with our lockdowns.

Custom Lockdown (on your phone)

Do you have a phone you need to be internet-free?

If you have any of the basic feature phones listed in this catalog, an iPhone, or an Android phone running version 5 or higher, we can lock it down for you. Please contact us to get an LD# (Lockdown number) to include with your phone when you send it in. In most cases, the price for the lockdown is \$10 more than what is listed in the catalog for your model, plus \$8.50 shipping to return it to you. For iPhones, the lockdown cost is \$96. Normally we can get your phone locked down and sent out within 2 to 4 days of when we receive it.

NOTE: On some phones, we need to do a reset on the phone that will lose your personal data, such as contacts and pictures. On basic feature phones and Android devices, we can save your data, including up to 200 photos, and put it back on your phone for an extra \$10. Additional pictures cost \$10 per 400 photos to copy. Please let us know if you want us to do this. Or you can save your data to an SD card or a different phone before you send it in.

On iPhones, we recommend that you turn on iCloud to save your data before sending us the phone, as we cannot save your contacts or messages when we lock your phone. If you want us to save your pictures, the cost is \$25 for the first 200 photos and \$10 for each 400 additional photos.

Conference Line/Message Center

Personalized greeting—Unlimited number of callers—Fully operated from your phone

Conference Line

- Ideal for church services, presentations, or group discussions

Did you know that some phone companies will disconnect your phone number for calling “free” conference lines? The problem is that the free conference lines often charge high fees for incoming calls, thus costing the phone companies of the participants an exorbitant amount of money. Yoder Connections Conference Lines are set up on lines that only charge normal incoming rates and are far less likely to be flagged by phone companies as “abuse” or “fraud.”

Group Message Center

- Ideal for family, friends, or special interest groups

Did you ever want to leave a voice message for everyone in your family or circle of friends? Now you can, with our Group Message Center. Anyone in the group can call in and listen to any of the recorded messages, and record one of their own.

From our small beginnings in 2017 with a handful of phone kits, Yoder Connections has grown to become a leading phone service provider for the plain community in North America. As technology engulfs our society, the commercial phone industry has often left behind the needs of those who need a simple phone without the distractions and dangers of the internet.

Our goal is to bridge the gap between the commercial phone industry and our Anabaptist communities. Whether you need a cell phone, a black box, an office phone, a booster, a reliable faxing solution, an affordable phone plan, or any of the other calling solutions in this catalog, we would love to hear from you!

**And whatever you do in word or deed,
do all in the name of the Lord Jesus,
giving thanks to God the Father
through Him.**

Colossians 3:17
